

Are You Called to Serve at Hosanna?

The Hosanna Constitution states that the Treasurer, the Financial Secretary, the Secretary, and leaders of the Ministry Teams shall be elected by the congregation in odd-numbered years. This election will occur in May, and those elected will take office September 1.

The responsibility of preparing a slate of nominees for the May meeting belongs to the Lay Leadership Team. This team identifies willing individuals whose passions and gifts match the needs of the ministries, and issues calls to service to those individuals.

The Lay Leadership Team is requesting the help of the congregation in this process. On one or more Sundays in March / April, this form will be handed out; this will give members of the congregation the confidential opportunity to suggest themselves or others for consideration as nominees for the positions below. Please return this form by Friday, April 17th. This form will also be put on the Cyberline and on the Hosanna Website for those that do not pick them up on a Sunday morning.

Suggestions can also be made by e-mailing Chad Greer before April 17th at thegreers01@sbcglobal.net.

The Lay Leadership Team will contact individuals suggested to ascertain their willingness to serve, so you do not need to get the prior consent of the people you suggest. Nominees will be selected from those suggested to present to the congregation for election.
